FEDERAL COMMUNICATIONS COMMISSION RESCHEDULES FEBRUARY 13th AGENDA MEETING

UNE Review Item to be Considered at February 20, 2003 Meeting

Washington, D.C. – The Federal Communications Commission (FCC) today announced the postponement of the February 13th Agenda Meeting. The items previously scheduled for the February 13th meeting, including the Commission's Review of Unbundled Network Elements (UNE) item, will be considered at the February 20 Agenda Meeting, which will take place in the Commission Meeting Room at 9:30am.

The UNE Review item is a Report and Order concerning incumbent local exchange carriers' obligations to make elements of their networks available to new entrants on an unbundled basis. Last May, the D.C. Circuit Court of Appeals vacated the FCC's current unbundling rules and has stayed their decision until February 20, 2003.

With this announcement, the FCC's "sunshine" restrictions are lifted.
